- HSC
2018
Kongu Kalvi Nilayam matric Higher Secondary School
- B.E. Computer Science and Engineering
2024
Sri Ramakrishna Institute of Technology

Programming Skills

- C
- Java
- Python

Web Development Skills

- HTML
- CSS
- Java Script

Soft Skills

- Communication

Tools

- Git

Achievements

- Won gold medal in INVIDE 2021 for proposing the idea Third Eye For Blind.

Objective

Seeking a challenging Front-End Developer role where I can gain more knowledge and utilize all of my development skills to provide outstanding service for the growth of organization.

Certifications

- Completed META certified Introduction to Front-End Development on Coursera.
- Completed Introduction to Programming in C on NPTEL.
- Completed Business English Certificate Examination (Preliminary) conducted by Cambridge University.

Projects

- Developed a YouTube clone website (Front-End alone) during the Front-End Development course in Spotknack. I have learned Front-End by developing the clone and also web hosting by hosting it.

- Developed a Instagram desktop feed page clone during the Front-End Development course in Spotknack.
Hosted Link : <https://instagram-index.netlify.app/>
- Proposed an idea **THIRD EYE FOR BLIND** at INVIDE 2021. It is a device which blind people can wear and it detects the objects near them where the blind can identify objects by the beep sound the device generates.

Team Works

- I'm a member in the "Team Falcon". We have done few projects and learned Front-End development together. We have also awarded **MOST ACTIVE TEAM** among others.
- I'm a member at Youth Red Cross Club. We have organized blood donation camps. I have donated blood twice
